

The Opportunity:

Senesco Marine is looking for a first class shipfitter to perform tasks to lay out, fabricate and assembly various metal structural parts of a ship such as plates, and bulkheads. He/she must brace them within the hull of the ship and prepare them for welding. He/she must be able to read, understand, and work from blueprints or templates and use scribe and hand tools. He/she must comply with all safety procedures and guidelines, and comply with all company issued policies, procedures, rules and regulations. He/she must also have excellent work ethic including excellent attendance, punctually, and the desire to complete designated work in a timely fashion.

You will be one of the lucky personnel to be a team member that makes up the premier Northeast builder of double-hulled barges, tugboats, ferries, aluminum CTVs and other vessels. Some of the team members have been with us for over 20 years and take pride when our cool vessels launch out into the sea!

This position is located at Quonset Point in North Kingstown, R.I.

Minimum Job Requirements:

- 3 years of experience in a shipyard or fabrication shop.
- Achieve 80% on written ship fitter exam.
- Must be able to tack weld using the SMAW process.
- Ability to climb stairs, ladders, kneel, squat, walk, sit, or stoop. Full range of motion.
- Must have correctable vision to 20/40.
- Must have own tools, and be skilled in their use, including but not limited to: 25 foot tape measure, 50 foot tape measure, plumb bob, square, adjustable square, bevel square, 18 inch level, 2 pound ball peen hammer, 5 pound sludge hammer, 12 inch adjustable wrench, weld shield, flash light, and chalk line.

Preferred:

- 5+ years in a shipyard or fabrication shop.

Compensation:

- Starting Pay is **\$25 /hr**
- Reimbursement programs that put your health and wellbeing first!
- Spectacular 401k plan where you earn without even contributing.
- Paid vacation, sick time, and holidays & Overtime opportunity based on needs.
