

### Job Responsibilities:

Senesco Marine is looking for a Class "A" mechanic that must be able to perform intermediate to advanced diagnostics and repairs on both heavy and light duty equipment, including but not limited to diesel, gasoline, and electric powered vehicles, forklifts, or other equipment as directed by the facility manager.

You will be one of the lucky personnel to be a team member that makes up the premier Northeast builder of double-hulled barges, tugboats, ferries, aluminum CTVs and other vessels. Some of the team members have been with us for over 20 years and take pride when our cool vessels launch out into the sea!

**This position is located at Quonset Point in North Kingstown, R.I.**

### Minimum Job Requirements:

- 3 years of relevant experience in heavy duty brakes, suspension, driveline, etc....
- 2 years of experience with cranes, forklifts, aerial lifts, and compressors.
- Ability to climb stairs, ladders, kneel, squat, walk, sit, or stoop. Full range of motion.
- Must have correctable vision to 20/40.

### Preferred, but not required:

- 5 years in a shipyard or fabrication shop.
- 7 years of relevant experience in heavy duty brakes, suspension, driveline, etc....

### Compensation:

- Starting Pay is 17.07/hr based on experience.
- Reimbursement programs that put your health and wellbeing first!
- Spectacular 401k plan where you earn without even contributing.
- Paid vacation, sick time, and holidays.
- Overtime opportunity based on needs.

Title: Diesel Technician/Mechanic

### Culture:

Senesco Marine, LLC has been providing some of the world's finest vessels since 1999. Feel free to check out some of our cool projects on Instagram or Facebook @senescomarine. We are Senesco, a team of bright and brilliant workers (some with us for over 20 years) who produce cool results while having fun.
