

### The Opportunity:

Senesco Marine is looking for a Project Manager that must have a broad knowledge of fabrication, assembly, erection, outfitting and delivery of steel fabricated items. The Project Manager must understand Classification Society rules and documents, USCG rules and documents and an overall understanding of the inspection process.

You will be one of the lucky personnel to be a team member that makes up the premier Northeast builder of double-hulled barges, tugboats, ferries, aluminum CTVs and other vessels. Some of the team members have been with us for over 20 years and take pride when our cool vessels launch out into the sea!

**This position is located at Quonset Point in North Kingstown, R.I.**

### Minimum Job Requirements:

- 5 years of experience in planning and building of steel vessels.
- Knowledge of material flow and kitting process.
- Ability to manage and motivate others.
- Ability to climb stairs, ladders, kneel, squat, walk, sit, or stoop. Full range of motion.
- Must have correctable vision to 20/40.

### Preferred:

- Experience and knowledge in managing subcontractors.

### Compensation:

- Starting Pay is based on experience.
- Reimbursement programs that put your health and wellbeing first!
- Spectacular 401k plan where you earn without even contributing.
- Paid vacation, sick time, and holidays & Overtime opportunity based on needs.

Title: Project Manager
