

### Job Responsibilities:

Senesco Marine is looking for an experienced individual that must have a working knowledge of the fabrication and assembly of steel hull vessels. He/she must be computer literate and skilled in Auto-Cad 3D. He/she must have the ability to understand ABS/Coast Guard rules and regulations

You will be one of the lucky personnel to be a team member that makes up the premier Northeast builder of double-hulled barges, tugboats, ferries, aluminum CTVs and other vessels. Some of the team members have been with us for over 20 years and take pride when our cool vessels launch out into the sea!

**This position is located at Quonset Point in North Kingstown, R.I.**

### Minimum Job Requirements:

- 5 years AutoCAD Experience.
- 10 Year of fabrication/assembly Experience.

### Preferred, but not required:

- Bachelor's Degree in Engineering or Equivalent Experience

### Compensation:

- Starting Pay is based on experience.
- Reimbursement programs that put your health and wellbeing first!
- Spectacular 401k plan where you earn without even contributing.
- Paid vacation, sick time, and holidays.
- Overtime opportunity based on needs.

Title: Senior Structural Designer

### Culture:

Senesco Marine, LLC has been providing some of the world's finest vessels since 1999. Feel free to check out some of our cool projects on Instagram or Facebook @senescomarine. We are Senesco, a team of bright and brilliant workers (some with us for over 20 years) who produce cool results while having fun.
