

#### Job Responsibilities:

Senesco Marine is looking for a passionate structural designer who must be experienced with fabrication and assembly of steel hull vessels. The ideal candidate is skilled with Auto-Cad 3D and can understand ABS/Coast Guard rules and regulations.

You will be one of the lucky personnel to be a team member that makes up the premier Northeast builder of double-hulled barges, tugboats, ferries, aluminum CTVs and other vessels. Some of the team members have been with us for over 20 years and take pride when our cool vessels launch out into the sea!

**This position is located at Quonset Point in North Kingstown, R.I.**

#### Minimum Job Requirements:

- 3 years AutoCAD Experience.
- 5 Year of fabrication/assembly Experience.
- Understanding of AutoCad, Navisworks Freedom, MS Office, and Ship Constructor.
- Ability to design jigs, fixtures and templates for production and maintenance.
- Ability to ensure constructability with the shipyard's capabilities.

#### Preferred, but not required:

- Bachelor's Degree in Engineering or Equivalent.

#### Compensation:

- Starting Pay is based on experience.
- Reimbursement programs that put your health and wellbeing first!
- Spectacular 401k plan where you earn without even contributing.
- Paid vacation, sick time, and holidays.
- Overtime opportunity based on needs.

Title: Marine Structural Designer
