

Job Responsibilities:

Senesco is looking for a Welder/Shop repair Technician to perform all welding maintenance on equipment and minor fabrication as well as to help assemble, maintain and repair machinery and vehicles. You will be required to work on Lincoln Pulse Machines and Miller Machines and calibrate/maintain equipment with welding.

You will be one of the lucky personnel to be a team member that makes up the premier Northeast builder of double-hulled barges, tugboats, ferries, aluminum CTVs and other vessels. Some of the team members have been with us for over 20 years and take pride when our cool vessels launch out into the sea!

This position is located at Quonset Point in North Kingstown, R.I.

Minimum Job Requirements:

- 2 years of welder/shop repair experience.
- Technical knowledge of weld/shop equipment repairs.

Preferred, but not required:

- 5 years of welder/shop repair experience.

Compensation:

- Starting Pay is \$20.30 /hr
- Reimbursement programs that put your health and wellbeing first!
- Spectacular 401k plan where you earn without even contributing.
- Paid vacation, sick time, and holidays.
- Overtime opportunity based on needs.

Title: Welder/Shop Repair Technician

Culture:

Senesco Marine, LLC has been providing some of the world's finest vessels since 1999. Feel free to check out some of our cool projects on Instagram or Facebook @senescosmarine. We are Senesco, a team of bright and brilliant workers (some with us for over 20 years) who produce cool results while having fun.
